Learn what ingredients have blended together to create your relationship with money: i.e. parents attitudes, childhood experiences, friend's spending and saving habits/values, and advertising. Learn what money means to you and if you need to make adjustments to re-establish a healthy balance. Distinguish self-worth from net worth and learn how to maintain and promote self-worth regardless of net worth.

Northcut Landing • 5001 25th Ave NE • Seattle, WA 98105
Across from the University Village

Presentation repeats on the 3rd Tuesday in February and March 2011.
Feb 15th, March 22th.
